

## 無衝突礦產宣告

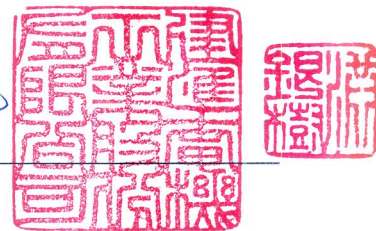

### Declaration of Conflict-Free Minerals

茲保證建準集團(含建準電機工業股份有限公司、佛山市建準電子有限公司、昆山廣興電子有限公司、北海建準電子有限公司，以下統稱建準) 將會對產品中的衝突礦產來源進行合理調查。建準採購的原材料和零物件來自多層次的供應商，我們並不直接向礦山、冶煉廠或精煉廠採購礦產。但為善盡企業社會責任將致力於詳實調查供應鏈之責任，以確保我們的供應商供應的錫(Sn)、鉭(Ta)、鎢(W)、金(Au)和鈷(Co)，這類礦產並非來自剛果民主共和國衝突區域之礦區開採或是循非法走私途徑取得。

We guarantee that SUNON (including Sunonwealth Electric Machine Industry Co., Ltd., Sunon Electronics (Foshan) Co., Ltd., Sunon Electronics (Kun Shan) Co., Ltd., Sunon Electronics (Beihai) Co., Ltd., called SUNON below) will perform a reasonable investigation of conflict minerals origin in our products. We purchase varied raw materials and parts that sourced from a substantial number of suppliers. Our supply chain is multi-tiered and does not purchase any minerals directly from mines, smelters or refiners. For corporate Social Responsibility, we are committed to detailed investigation of supply chain of SUNON to ensure that those conflict minerals, such as tin(Sn), tantalum(Ta), tungsten(W), gold(Au) and cobalt(Co), supplied by our suppliers are not from the conflict zone of Democratic Republic of the Congo or illegal smuggling.
